AWD Conditions

BACKGROUND

To increase the swimming opportunities for Athletes with Disabilities (AWD) and as part of the build up to the New Zealand Disabled Swimming Championships, it is proposed that AWD finals are included.

AWD FINALS

50m Freestyle
100m Freestyle
100m Backstroke
100m Breaststroke
50m Butterfly
200m Individual Medley

AWD RULES

AWD shall swim their heats as part of the able-bodied programme.

AWD must register an official time in the heat swims to qualifying for the AWD finals.

All AWD finals shall be swum as a mixed gender, age group and classification events.

1 set of medals (gold, silver, bronze) shall be awarded per AWD final.

Medals and placing's shall be determined based on the competitors' results in comparison to their relevant world record in their respective classification. This shall mean the competitor who achieves the lowest percentage of their own relevant world record (ie: the closest to their relevant world record) will be placed first, and so forth.

In addition, AWD can enter and swim in the heats of events that do not have AWD finals.

ENTRY

Competitors must hold at a minimum a provisional level classification (obtained through Paralympics NZ).

A section for this should be included on the entry forms.
